WHAT IS THE ENNEAGRAM?

THE ENNEAGRAM IS A POWERFUL TOOL FOR PERSONAL AND COLLECTIVE TRANSFORMATION.

THE ENNEAGRAM IS A SYSTEM OF NINE PERSONALITY TYPES COMBINING TRADITIONAL WISDOM AND MODERN PSYCHOLOGY. IT IS A POWERFUL TOOL FOR UNDERSTANDING OURSELVES AND THE PEOPLE IN OUR LIVES - WITH THREE MAJOR APPLICATIONS:

- Personal, intellectual and spiritual growth
- Successful relationships at home and at work
- Development of leadership, team building and communication skills for business
- A clear visualization of the limits we place on ourselves.

Each Enneagram type has a different pattern of thinking, feeling and acting that stems from a deeper inner motivation or worldview.

Working with the Enneagram is an "inside job" that starts with determining your own type, and then exploring deeper personal and/or professional development. Extraordinarily accurate, the Enneagram also helps you create healthier relationships and provides you with tools to resolve conflicts.

Determining one's personality type through the Enneagram does not put us in a box, but helps us see the box from which we experience the world. With this awareness, we can step outside our limited perspective. By uncovering these unconscious patterns, we can live a more fulfilling life, have healthier relationships and connect to our true essence.
